WHEREAS, Declarant is about to sell and convey said lot number 126 and before doing so desires to subject them to and impose upon them mutual and beneficial restrictions, covenants, conditions and charges, hereinafter collectively referred to as "Restrictions", under a general plan or scheme or improvement for the benefit and complement of all of the lots in the Unit and Subdivision, and the future owners of said lots;

NOW, THEREFORE, Declarant hereby declares that all of said lot, is held and shall be held, conveyed hypothecated or encumbered, leased, rented, used, occupied, and improved subject to the following Restrictions, all of which are declared and agreed to be in furtherance of a plan for the subdivision, improvement, and sale of said lots and are established and agreed upon for the purpose of enhancing and protecting the value, desirability and attractiveness of the property described in the Map and of the Subdivision as a whole. All of the Restrictions shall run with the land and shall be binding on all parties having or acquiring any right, title, or interest in the real property or any part thereof subject to such Restrictions.

1. APPLICABILITY

These Restrictions shall apply to subdivided, numbered lot only, and are specifically excluded from application to other lots or lands designated on the Map as parcels or as lands of Declarant, which lots, parcels and lands are intended for future commercial, multiple dwelling, single family residence, or recreational uses.

2. TERM

These Restrictions shall affect and run with the land and shall exist and be binding upon all parties and all persons claiming under them until January 1, 2008, after which time the same shall be extended for successive periods of ten (10) years each, unless an instrument signed by a majority of the then owners of the lots subject thereto has been recorded, agreeing to change the covenants in whole or in part. These Restrictions may be amended at any time by written consent of two-thirds (2/3) of the record owners of such lots.

3. SUBDIVIDING

Said lot may be further subdivided as a condominium or planned unit development, but shall not be subdivided into more than 16 parcels or lots. Not more than one (1) individual dwelling unit may be erected or maintained on any such parcel or lot.

4. EXCLUSIVE RESIDENTIAL/USE AND IMPROVEMENT

Neither said lot nor any portion thereof shall be used except for residential purposes. Not more than 16 individual dwelling units shall be erected, placed, or permitted to remain on said lot, and such garages or carports as are usually accessory to a multi-family dwelling and, not more than 16 boat docks, or other similar structures approved as herein provided.

5. CANYON LAKE PROPERTY OWNERS ASSOCIATION

Every person, including Declarant, who acquires title, legal or equitable, to any lot in the Subdivision and any person who is a tenant or regular occupant of any unit in any multi-family residential building or guesthouse, inn, hotel facility or mobile home park within the Subdivision shall become a member or associate member of the Canyon Lake Property Owners Association, a California non-profit corporation, (herein referred to as "Association"); provided however, that such membership is not intended to apply to those persons who hold an interest in any such lot merely as security for the performance of an obligation to pay money, e.g., mortgages, deeds of trust, or real estate contract purchases. Declarant's membership (by reason of its ownership of unsold lots) need not be evidenced by certificates of membership as provided in the Association's by-laws.

The general purpose of the Association is to further and promote the community welfare of property owners in the Subdivision. So as to assure the opportunity to all owners to acquire full knowledge of said Association's activities, each such owner shall be notified not less than seven (7) days nor more than sixty (60) days prior to any meeting of Association members. Said notice shall specify a reasonable place, date and hour, and in the case of a special meeting, the general nature of the business to be conducted.

The Association shall be responsible for the maintenance, repair, and upkeep of the private streets and parks, pedestrian easements, within the Subdivision, and the appurtenant drainage improvements and slope easements reserved by Declarant. Said maintenance, repair and upkeep shall be done in a continual and workmanlike manner and in no case shall the level of such maintenance, repair and upkeep be below the level of such care which would have been provided by the County of Riverside, had such streets, parks, pedestrian easements, drainage easements and slope easements been owned by said County.

EXHIBIT "A"

The Association shall also be the means for the promulgation and enforcement of all regulations necessary to the governing of the use and enjoyment of such streets and parks and such other properties within the Subdivision as it may from time to time own.

The Association shall also be responsible for the maintenance and operation of the recreational facilities to be acquired by the Association from the Declarant, by means of a trust agreement, when 3500 single family residential lots have been sold by Declarant in said subdivision, or on January 31, 1973, whichever occurs first. At such time the Association shall also be the means for the promulgation and enforcement of all regulations necessary to the governing of the use and enjoyment of such recreational facilities.

For the purpose of proportionately dividing the Association's expenses incurred in the maintenance of its properties and in furthering and promoting its purposes, the Association shall have all the powers that are set forth in its Articles of Incorporation and By-Laws or that belong to it by operation of law, including the power to levy against every lot and every individual dwelling unit of any multi-family residential building or guesthouse, inn, hotel facility or mobile home park in the Subdivision uniform annual charges as set forth in its by-laws of not less than Twenty Dollars (\$20.00) nor more than Fifty Dollars (\$50.00) per year for the operation and maintenance of the streets, parks, pedestrian easements, drainage improvements and slope easements; and not less than One Hundred Eight dollars (\$108.00) nor more than Two Hundred Dollars (\$200.00) for the operation and maintenance of the recreation facilities to be acquired.

Every such charge made shall be paid by the member to the Association on or before the date established by its Board of Directors pursuant to the resolution adopted by such Board fixing the amount of the annual charge. Written notice of the charge so fixed and the date of payment shall be sent to each member. Said charges shall remain a lien upon the property of the respective member until paid.

Upon the adoption of a resolution of charges, the Association shall forthwith cause a notice thereof and of the lien created thereby to be signed and acknowledged by it and recorded in the Office of the County Recorder of Riverside County, California.

Such recorded notice shall embody said resolution and state the rate of the charge, the time payable and record in the Office of the County Recorder of Riverside County, California, a release or, and when it becomes a lien. When paid, the Association shall from time to time execute, acknowledge releases of lien with respect to the property for which, payment has been made. Full receipts shall be issued to lot owners upon payment.

Each lot owner in the Subdivision shall, by acceptance of a deed thereto or the signing of a contract or agreement to purchase the same, whether from Declarant or a subsequent owner of such lot, bind himself, his heirs, personal representatives and assigns to pay all charges determined and levied upon such lot, including interest thereon and collection costs thereof, if any, including attorneys' fees; and the obligation to pay such charges, interests and costs thereby constitutes an obligation running with the land. Sale or transfer of any lot shall not affect any lien for charges provided for herein.

All liens herein provided for shall be enforceable by foreclosure and sale proceedings in the manner provided by law for the foreclosure and sale of mortgages and/or trust deeds; provided, however, that no proceeding for foreclosure shall be commenced except upon expiration of two (2) months from and after the date the charge giving rise to such lien becomes due and payable.

The funds arising from such charges, so far as may be sufficient, shall be applied toward the payment of expenses incurred by the Association in the maintenance of its properties and in furthering and promoting the community welfare of property owners in the Subdivision, all as set forth and provided in its articles of incorporation and by-laws.

6. ARCHITECTURAL CONTROL COMMITTEE

All plans and specifications for any structure or improvement whatsoever to be erected on or moved upon or to any lot, and the proposed location thereof on any lot or lots, the construction material, the roofs and exterior color schemes, any later changes or additions after initial approval thereof, and any remodeling, reconstruction, alterations, or additions thereto on any lot shall be subject to and shall require the approval in writing before any such work is commenced of the Architectural Control Committee (herein called "Committee"), as the same is from time to time composed.

The Committee shall be composed of three (3) members to be appointed by Declarant. Committee members shall be subject to removal by Declarant and any vacancies from time to time existing shall be filled by appointment of Declarant, or in the event of Declarant's failure to so appoint within two (2) months after any such vacancy, then by the Board of Directors of the Association. When ninety percent (90%) of the lots in the Subdivision shall have been sold by Declarant, the Board of Directors of the Association shall have complete control of the appointments and removal of Committee members. Either a lapse of eighteen (18) months between filings of unit maps of the Subdivision, provided that ninety percent (90%) of the then aggregate number of lots in all recorded units of the Subdivision have been sold by Declarant, or a lapse of three (3) years from the date of the Final Subdivision Public Report of the California Division of Real Estate applicable to the next preceding unit of the Subdivision, regardless of whether or not ninety percent (90%) of the aggregate number of lots in all recorded units of the Subdivision have been sold, shall be sufficient to place control for such appointments and removals in the Association's Board of Directors.

There shall be submitted to the Committee two (2) complete sets of plans and specifications for any and all proposed improvements, the erection or alteration of which is desired, and no structures or improvements of any kind shall be erected, altered, placed or maintained upon any lot unless and until the final plans, elevations, and specifications therefore have received such written approval as herein provided. Such plans shall include plot plans showing the location on the lot of the building, wall, fence, or other structure proposed to be constructed, altered, placed or maintained, together with the proposed construction material, color schemes for roofs and exteriors thereof and proposed landscape planting. In addition, topography maps prepared by a registered civil engineer or a licensed land surveyor shall be included as part of all plans relating to lake front lots.

EXHIBIT "A"

As a means of defraying its expenses, the Committee may institute and require a reasonable filing fee to accompany the submission of plans to it. No additional fee shall be required for re-submission of plans revised in accordance with Committee recommendations.

The Committee shall approve or disapprove plans, specification and details within thirty (30) days from the receipt thereof or shall notify the person submitting them that an additional period of time, not to exceed thirty (30) days, is required for such approval or disapproval. Plans, specifications and details not approved or disapproved within the time limits provided herein shall be deemed approved as submitted. One (1) set of said plans and specifications and details with the approval or disapproval, endorsed thereon, shall be returned to the person submitting them and the other copy thereof shall be retained by the Committee for its permanent files.

The Committee shall have the right to disapprove any plans, specifications or details submitted to it in the event the same are not in accordance with all of the provisions of this Declaration; if the design or color scheme of the proposed building or other structure is not in harmony with the general surroundings of such lot or with the adjacent buildings or structures; if the plans and specifications submitted are incomplete; or in the event the Committee deems the plans, specifications or details, or any part thereof, to be contrary to the interests, welfare or rights of all or any part of the real property subject hereto, or the owners thereof. The decisions of the Committee shall be final.

Neither the Committee nor any architect or agent thereof or of Declarant shall be responsible in any way for any defects in any plans or specifications submitted, revised or approved in accordance with the foregoing provisions, nor for any structural or other defects in any work done according to such plans and specifications.

Whenever the Committee shall approve plans and specifications for a boat shelter, pier, float or similar structure, on or extending into any lake, such approval shall not constitute a permit to build or place such proposed structure without the consent of the owner or operator of the lake.

7. SIZES AND PLACEMENT OF RESIDENCES AND STRUCTURES

Every residence dwelling constructed on a lot shall contain the following minimum square feet of fully enclosed floor area devoted to living purposes (exclusive of roofed or unroofed porches, terraces, garages, carports and other outbuildings).

Waterfront lots	1,000 sq. ft.
All other lots	900 sq. ft.

Each such dwelling shall be of single story construction: provided, however, that split level or two story residences may be constructed on lots where, in the opinion of the Committee, the terrain of such lot lends itself to such construction.

EXHIBIT "A"

The Committee shall have the authority to set up regulations as to the height and size requirements for all other types of buildings and structures, including fences, walls, copings, etc.

In order to preserve the natural quality and esthetic appearance of the existing geographic areas within the Subdivision, all property lines abutting to any lake or golf course shall be kept free and open and no fences shall be permitted on any such lot lines except where, in the opinion of the Committee, a fence or other enclosure, as a structure or esthetic feature of a design concept, will contribute to and be in keeping with the character of the area.

Whenever two or more contiguous lots in the Subdivision shall be owned by the same person, and such person shall desire to use two or more of said lots as a site for a single dwelling house, he shall apply in writing to the Architectural Control Committee for permission so to use said lots. If written permission of such a use shall be granted, the lots constituting the site for such single dwelling house shall be treated as a single lot for the purpose of applying these Restrictions to said lots, so long as the lots remain improved with a single dwelling house.

Each lot in the Subdivision has a specified and dimensioned area, which limits the extent of the portion thereof upon which any improvement can be constructed without the express approval of the Committee. In regard to this lot 126, the following minimum dimensions shall govern for floor elevations and for front, side and rear setbacks on all lot (except fences or walls where approved or required by the Committee):

- (a) First floor elevations of 1397.5 feet M. S. L. on all lakefront lots;

- (e) If the line with respect to which a setback measurement is to be made is a meandering line, the average length of the two lot lines that intersect said meandering line

EXHIBIT "A"

shall be determined and, using that average length, an imaginary straight line shall be drawn through the meandering line and the setback measurement shall be made along a line perpendicular to such imaginary line

- (f) The term "side line" defines a lot boundary line that extends from the street on which the lot abuts to the rear line of the lot.
- (g) The term "rear lot line" defines the boundary line of the lot that is farthest from, and substantially parallel to, the line of the street on which the lot abuts.
- (h) The term "front line" defines a lot boundary line that is abutting the right-of-way of the street on which the lot abuts.
- (i) A corner lot shall be deemed to have a front line on the street on which the shortest dimension abutting a street occurs.
- (j) No part of any fence or wall shall be constructed or placed within the "front yard" of any numbered lot in the Subdivision, that is to say, within that part of the lot that lies between the line of the street on which the lot abuts and the required setback from the front line of the lot. No fence or wall shall be constructed or placed within that part of any lot that is contiguous to either a lake or the golf course that lies within twenty-five (25) feet of the rear lot line, and no part of any fence or wall constructed or placed in the rear yard of any lot that is contiguous to a lake or the golf course shall exceed three (3) feet in height. Any fence that is permitted within the Subdivision and is not subject to the height limitation set out in the immediately preceding sentence may have a height not in excess of five (5) feet.

EXHIBIT "A"

unit in the Subdivision in which it is located and title shall pass with inch dredging or other removal as by erosion.

Such annexation shall be effective upon the recordation of restrictions, either by declaration or by deed, designating the property subject thereto, as an additional unit within the Subdivision, which property shall thereupon become and constitute a part of the Subdivision, and the Association shall accept and exercise such powers and Jurisdiction over such property as are granted to it by such restrictions. Such restrictions shall be substantially the same as those contained herein; provided, however, that:

- (a) The use in said restrictions of the word "Unit" shall be deemed to apply to the particular unit for which such restrictions are recorded; the use of the word "Subdivision" shall be deemed to mean the aggregate of all previously recorded units designated as being a part of the Canyon Lake general subdivision scheme of development; and the use of the words "lot" or "lots" shall be deemed to mean all subdivided lots described and set forth in any unit maps of the Subdivision and each unit of any multiple-family residence building or guesthouse, inn or hotel facility within the Subdivision, including condominium developments;

- (f) No annexation of additional property shall be permitted unless the subdivision map and restrictions applicable thereto shall be recorded within three (3) years from the date of the Final Subdivision Public Report of the California Division of Real Estate applicable to the next preceding unit of the Subdivision.

Any portion of such property described above and available for annexation into the Subdivision may, at the option of Declarant, its successors or assigns, be so annexed as a condominium, or for use as a multiple-family residential, guesthouse, inn or hotel facility. Should property related to any of such uses not be so annexed, The Association shall, nevertheless, grant to the owners thereof the right to the use and enjoyment of the private streets and parks within the Subdivision, or any other assets of the Association, upon payment of a reasonable charge for maintenance, repair and upkeep or in return for the reciprocal use and enjoyment of common areas of such facilities or a combination of both.

15. REMEDIES

The Association or any party to whose benefit these Restrictions may inure may proceed at law or in equity to prevent the occurrence, continuation or violation of any of the Restrictions.

The remedies hereby specified are cumulative, and this specification of them shall not be taken to preclude an aggrieved party's resort to any other remedy at law, in equity, or under any statute. No delay or failure on the part of an aggrieved party to invoke an available remedy in respect of a violation of any of these Restrictions shall be held to be a waiver by that party of (or an estoppel of that party to assert) any right available to him upon the recurrence or continuance of said violation or the occurrence of a different violation.

16. GRANTEE'S ACCEPTANCE

The grantee of any lot subject to the coverage of this Declaration, by acceptance of a deed conveying title thereto, or the execution of a contract for the purchase thereof, whether from Declarant or a subsequent owner of such lot, shall accept such deed or contract upon and subject to each and all of these Restrictions and the agreements herein contained, and also jurisdiction, rights and powers of Declarant, and by

Article XIII

RIGHTS OF LENDERS

Notwithstanding any provisions to the contrary as may be provided elsewhere in this Declaration, Lenders shall have the following rights:

Section 1. Notice to Institutional Holders of Default. Any Institutional Holder of any Mortgage on a lot shall be entitled to receive upon written request to the Association written notification from the Association of a default by the Owner (trustor) of such lot in the performance of such Owner's obligations under the Declaration or the Association's Articles or By-Laws which is not cured within thirty (30) days from the date of such default.

Section 2. Assessments on Foreclosure. Any Institutional Holder of any Mortgage who obtains title to a lot pursuant to the remedies provided in the Mortgage but exclusive of a deed in lieu of foreclosure, or through foreclosure of the Mortgage, shall not be liable for any claims for unpaid assessments or charges against such lot which accrued prior to the acquisition of title to such lot by the Institutional Holder of the Mortgage.

EXHIBIT "A"

Section 3. Right of First Refusal. Any Institutional Holder of a Mortgage who comes into possession of a lot pursuant to the remedies provided in such Mortgage, or foreclosure of the Mortgage, shall be exempt from any right of first refusal, and any right of first refusal shall not impair the rights of an Institutional Holder to:

(a) Foreclose or take title to a lot pursuant to the remedies provided in the mortgage, or

(b) Accept a deed (or assignment) in lieu of foreclosure in the event of default by the Trustor of the Mortgage, or

(c) Sell or lease a lot acquired by the Institutional Holder.

Section 4. Required Consent of Owners. Unless at least two-thirds (2/3) of the Owners, excluding the vote of Declarant, (based on one vote for each lot owned) have given their prior written approval, the Association and the Owners shall not be entitled to:

(a) Change the method of determining the obligations, assessments (whether annual or special), dues or other charges which may be levied against the Owner of a lot;

(b) By act or omission seek to abandon, partition, release, subdivide, encumber, sell or transfer any property or any improvements which are owned, directly or indirectly, by the Association;

(c) By act or omission change, waive or abandon any scheme of regulations, or enforcement thereof, pertaining to the architectural design of the dwellings situated on each lot or the upkeep of the Common Areas within the Properties;

(d) Use hazard insurance proceeds for losses to the Common Area for other than the repair, replacement or reconstruction of such improvements;

(e) Fail to maintain fire and extended coverage insurance on insurable Common Area property, on a current replacement cost basis in an amount not less than one hundred percent (100%) of the insurable value (based on current replacement cost);

(f) Abandon or terminate the Association, except for abandonment, partition or termination as may be provided by law;

(g) Fail to maintain an adequate reserve fund for the replacement of equipment and facilities used for Common Area maintenance.

(b) Receive an annual audited financial statement of the Association within ninety (90) days following the end of any fiscal year of the Association provided, however, that such audited statements shall be made available only if they have been prepared by the Association in the regular course of business;

(c) Receive written notice of all meetings of the Owners of the Association and shall be entitled to designate a representative to attend all such meetings.

Section 6. Payment of Taxes and Insurance Premiums. Institutional Holders of Mortgages on lots within the properties may, jointly or singly, pay taxes or other charges which are in default and which may or have become a charge or lien against any common property, if any, and may pay overdue premiums on hazard insurance policies or secure hazard insurance coverage upon the lapse of a policy for any commonly owned property and the mortgagees making such payments shall be owed immediate reimbursement therefor from the Association.

Section 7. Priority on Distribution of Proceeds. No Owner or any other party shall have priority over any rights of Institutional Holders of Mortgages upon individual lots pursuant to their Mortgages in the case of a distribution to Owners of insurance proceeds or condemnation awards for losses to or a taking of all or any portion of the Common Area property, if any and/or the individual lots and improvements thereon.

Section 8. Notice of Destruction or Taking. In the event that any lot or the improvements thereon or any commonly owned property, if any, or portions thereof, are substantially damaged or destroyed, or are made the subject of any condemnation proceeding in eminent domain or are otherwise sought to be acquired by a condemning authority, the Association shall promptly notify all Institutional Holders of Mortgages affected by such destruction, taking or threatened action.

Notwithstanding any other provisions herein, the Association shall continuously maintain in effect such casualty, flood and liability insurance and a fidelity bond meeting the insurance and fidelity bond requirements for planned unit development projects established by the Federal Home Loan Mortgage Corporation, so long as it is a mortgagee or owner of a lot within the project, except to the extent such coverage is not available or has been waived in writing by the Federal Home Loan Mortgage Corporation.

Section 10. Mortgage Projection Clause. No breach of the covenants, conditions or restrictions herein contained, nor any lien created hereby, shall defeat or render invalid the lien of any first mortgage or first deed of trust made in good faith and for value, but all of said covenants, conditions and restrictions shall be binding upon and effective against any Owner whose title is derived through foreclosure or trustee's sale, or otherside.

Section 11. Conflicts. In the event of any conflicts between any of the provisions of this Article and any other provisions of the Declaration, the provisions of this Article shall control.

22 The Petition of CANYON LAKE PROPERTY OWNERS ASSOCIATION
23 ("ASSOCIATION") to reduce the percentage of affirmative votes
24 necessary to amend the Declarations of Covenants, Conditions and
25 Restrictions for Canyon Lake came on regularly for hearing on
26 August 18, 1995, at 9:00 a.m., in Department 4 of the above-
27 referenced Court. Peter E. Racobs and Dennis M. Burke of Fiore,
28 Walker, Racobs & Powers and Allan E. Wilion of Allan E. Wilion,
Inc., appeared on behalf of the Petitioner. Simon J. Freedman
appeared on behalf of Mark Jones, a member of the ASSOCIATION, in
opposition to the Petition.

EXHIBIT 1

Order Granting Petition, etc.

EXHIBIT "A"

1 Upon reading and considering all of the evidence presented therein
2 and the arguments of counsel, the Court finds as follows:

3 1. That the ASSOCIATION'S Petition met all the requirements of
4 Civil Code Section 1356.

5 2. That the objections, and each of them, raised by Mark Jones
6 to the ASSOCIATION'S Petition are unmeritorious. The Court, in
7 particular, has made the following determinations:

8 (a) That the Motorcycle Prohibition Amendment is
9 reasonable;

10 (b) That application of Civil Code Section 1356 is
11 appropriate to amend multiple sets of CC&Rs within a
12 common interest development with multiple tracts when a
13 majority of the members of the community association
14 voted in favor of an amendment, but where less than a
15 majority of the members in some individual tracts voted
16 to approve the amendment; and

17 (c) That the ASSOCIATION is not required to show more than 50
18 percent (50%) approval for the Motorcycle Prohibition
19 Amendment for each tract within the ASSOCIATION.

20 3. That the balloting on the proposed amendment was conducted in
21 accordance with all applicable provisions of the ASSOCIATION'S governing
22 documents.

23 4. That the ASSOCIATION made a reasonably diligent effort to
24 permit all eligible members of the ASSOCIATION to vote on the
25 Motorcycle Prohibition Amendment.

XHIBIT "A"

1 5. That there is only one (1) voting class within the
2 ASSOCIATION.

3 6. Than owners having more than 50 percent (50%) of the
4 votes in the ASSOCIATION voted in favor of the Motorcycle
5 Prohibition Amendment.

6 7. That granting the Petition is not improper for any reason
7 stated in Civil Code Section 1356(e).

8 8. That Civil Code Sections 1350, et seq., should be
9 interpreted broadly in order to facilitate management and
10 operation of common interest developments.

11 9. That to require each individual tract to approve such
12 amendments by more than 50 percent (50%) would make effective
13 management of the ASSOCIATION impossible.

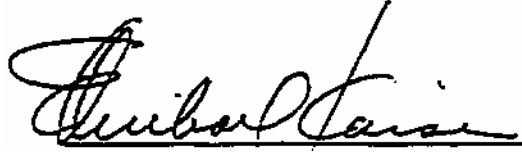

14 IT IS ORDERED, therefore, that the Petition be granted and the
15 Motorcycle Prohibition Amendment shall be ordered approved for all
16 those tracts within the ASSOCIATION in which the Motorcycle
17 Prohibition Amendment did not receive the approval stipulated
18 by the terms of those particular tract declarations; to wit:
19 Riverside County Tract Nos. 3716, 3718, 3719, 3720, 3777, 3829,
20 3863, 3869, 4808, 5410, 12807, 16386 and 17388, based upon the
21 number of affirmative votes actually cast during the balloting
22 process pursuant to California Civil Code Section 1356, subject to
23 the following conditions:

24 That the Motorcycle Prohibition Amendment, the text of which
25 is set out in Attachment "A" to this Order, shall be recorded along
26 with this Order to amend the declarations of the Riverside County
27 tract numbers attached hereto as Attachment "B" and, by this
28 reference, incorporated, and that, within a reasonable time after

EXHIBIT "A"

1 the amendment is recorded, the ASSOCIATION shall mail a copy of the
2 amendment to each member of the ASSOCIATION, together with a
3 statement that the amendment has been recorded, pursuant to Civil
4 Code Section 1356(g).

**CANYON LAKE PROPERTY OWNERS ASSOCIATION
MOTORCYCLE PROHIBITION AMENDMENT**

ATTACHMENT "A"

WHEREAS, the Association has a consistent, long-standing policy prohibiting the operation of motorcycles and similar vehicles within the private community of Canyon Lake; and

WHEREAS, the motorcycle prohibition dates back to the earliest history of Canyon Lake as part of the Association's rules; and

WHEREAS, operation of motorcycles and similar vehicles within the Canyon Lake private community is likely to result in increased noise, accidents and injuries, and given the private nature of the Canyon Lake road system, operation of motorcycles and similar vehicles is also likely to expose the Association to increased liability for accidents and injuries resulting from motorcycle and similar vehicle use; and

WHEREAS, in the recent California Supreme Court decision in Nahrstedt v. Lakeside Village, the California Supreme Court has resoundingly supported the concept of enforcement of recorded CC&Rs.

NOW, THEREFORE, the members do hereby amend their Tract Declarations of Restrictions by adding new provisions as follows:

Prohibition on Motorcycle Use

Use, operation, riding upon or in, or transportation on or by, any motorcycle, two- or three-wheeled motorized vehicle, off-road vehicle, four-wheeled motorcycle or similar vehicle on any lot, street, common area or Association property within the Subdivision is prohibited. Golf carts may be used and operated within the Subdivision subject to the Board of Directors' reasonable regulation thereof.

Limitation on Easement Rights (No Motorcycles)

Expressly excepted and excluded from each owner's easements (including any and all easements of access, ingress and egress), if any, for use and enjoyment of the Subdivision's streets, parks or any and all common areas or Association property (including any and all easements of access, ingress and egress), is any right to use, operate.
